Marina Service

Marlin offers yachtsmen safe berths with water, electricity, fuel, ship chandler or accessories store for navigation, international garbage collection, showers for yachtsmen, as well as international dispatches and visa (at the International Marinas).

Buceo Contemplativo

The Cuban insular platform is made up of an extensive coral reef where biodiversity and beauty attract both experts and fans of contemplative scuba diving. Marlin offers you the opportunity to discover the wonderful submerged world that surrounds Cuba.

We manage Diving Centers located in privileged areas, which offer the possibility of taking initiation courses and diving specialties with the internationally regulated technical conditions for the practice of this activity, with SSI, ACUC and more recently NDL didactics.

✓ Marlin manages 23 International Divin Centers:

1. Cayo Jutía, Pinar del Río (Marina Hemingway)

Our most important Events

Torneo Internacional de la Pesca de la Aguja “Ernest Hemingway”

The Hemingway Tournament is one of the oldest in the world, only preceded by the Tuna World Cup in Nova Scotia and the Tarpon Tournament in Mexico. It is the most important fishing event held in Cuba, due to the number of teams and countries represented. The most historically represented country is the United States. The next edition will take place between may to June 2022.

FOTOSUB

EMPRESA NÁUTICA
& MARINAS MARLIN S.A

This is an event of a competitive nature in its Open modality, it takes place at Faro Luna International Diving Center, Marina Marlin Cienfuegos. Its main reason is the selection and presentation of photographs of the underwater flora and fauna obtained during the days of the competition. It includes 5 competition categories: Environment, Environment with model, Fish, Macro, Camera in action

BIG GAME TROLLING JARDINES DEL REY

A rather new Fishing Tournament, which this year reaches its 8th edition, but counts with a good acceptance among sea lovers. It has as its official headquarters the Jardines del Rey Tourist Marina. The next edition will take place from October 25 to 30, 2021
