

DMCs IN THE COSTA DEL SOL

YOUR ALLY IN CREATING
THE PERFECT EVENT

Behind the success of any conference, meeting or incentive are specialists. Experts in the destination whose knowledge, professionalism and experience translate into quality events that guests will remember for years to come. Fortunately, **the Costa del Sol is home to these experts, Destination Management Companies (DMCs)**, that are blazing the trail at the national level.

Excellent results are guaranteed thanks to high levels of **professionalism, substantial knowledge, extensive experience and boundless resources.**

Contracting a DMC to organise the logistics and execution of your meeting, incentive trip or event is equatable to having your very own office in the destination. Which, of course, comes with its very own set of **benefits: legal cover, assistance for unforeseen incidents, and preferential agreements and contracts.**

If you are planning an event and seek guaranteed success, the Costa del Sol is the destination for you. The area is home to a large selection of world-class companies that guarantee your event will be an unforgettable one. **Contract a DMC and get peace of mind.**

In the rest of this book, you will find a list of the DMCs that are members of the Convention Bureau at Turismo Costa del Sol.
