

EVENT SERVICE PROVIDERS

IN THE COSTA DEL SOL

How can you guarantee that your corporate event will make a mark? How can you be sure that your attendees will remember it for years to come? **Adequate time, attention to detail, knowledge of the destination and experience** are just some of the qualities a good event planner has to have.

If you are planning a meeting, product launch, convention, congress or incentive trip, **the best decision you will make is to work with a trusted DMC.**

Whether you need assistance from team building and activity companies, event production agencies, catering companies, audiovisual specialists, transfer companies or more, the best advice is to trust service providers that are leaders in their sector.

In this book, we will present some of **the best event service providers in the Costa del Sol.** Leverage their knowledge of the destination and make your event a sensation.

Exploramás - Experiencias con Propósito

Team building activities have become a powerful tool in creating teams that are united, motivated, committed and connected to the company's values. A way to accelerate and strengthen teams is through experiences that have a purpose and are linked to the United Nations' Sustainable Development Goals (SDG). Exploramás specialises in working with agencies, developing tailor-made activities such as reforestation, refurbishing foster homes, online team building, forest bathing, sustainable canyoning, eco mountain biking, adventures in the whitewashed villages, beach clean-ups, charity treasure hunts and more. Through these activities, companies will succeed in motivating their employees, promoting a sense of belonging and team spirit while fostering the company's CSR and achieving much sought-after engagement.

NaluSur Adventure Tours

Operating in Marbella since 2010, NaluSur offers activities and corporate events that revolve around sustainability and the natural world. The company plans active and environmentally friendly events, authentic experiences in rural Andalusia and more. They have a fleet of mountain e-bikes and their own equipment for doing water sports. They also organise exclusive regattas at Real Club Marítimo de Marbella. NaluSur's activities in the great outdoors are a surefire way to distance your team from the stresses of the everyday and instead connect with the present, and the goals and challenges that all organisations face.
