Detect aliens in China

Listen to robots playing Beethoven in Germany

Taste world famous fries in Belgium

Did you know that a butterfly flapping its wings in Brazil could set off a tornado in Texas?

THEMATIC PAVILIONS

From the world's most renowned architects and creative teams behind blockbuster movies, our thematic pavilions bring the Expo sub-themes to life through experiences never seen before.

OPPORTUNITY PAVILION

The Opportunity pavilion aspires to engender empathy in visitors to trigger a desire to act to create a better world.

The visitor experience is based on a series of gameplay moments that will challenge the visitor's thinking on issues related to basic needs of water, food, and energy by simulating environments of real life individuals who are agents of change in their own communities.

MOBILITY PAVILION

Proceed to the House of Wisdom in ninth-century Baghdad before you head on to meet nine-metre-tall historical giants of Mobility.

Wow moments designed by storytellers behind some of the top productions in the world such as "Lord of the Rings" and "The Hobbit".

SUSTAINABILITY PAVILION

Creating its own electricity and water, this pavilion features global projects that are creating new paths for sustainability.

Visitors tiptoe underneath a dense forest as the roots communicate with one another and dive into ocean depths to meet a Giant Fish disturbed by ocean pollution.
