GENEALOGY TOUR

FROM
€ 789

DISCOVERING YOUR FAMILY STORY IS THE ADVENTURE OF A LIFETIME. AREN'T YOU CURIOUS ABOUT YOUR GENEALOGY?

A fascinating journey to discover one's origins. A personalized proposal full of emotions and discoveries that starts from the research of one's ancestors. We reconstruct your story and that of your ancestors thanks to our investigators who will follow their traces to their countries of origin and will look for the closest relatives who remained in the village / city of origin. Through their stories, visits to villages, the discovery of ancient texts and photographs you will be able to better understand the circumstances that prompted your loved ones to leave their homeland. You will be able to walk in your family's ancestral village, talk to the locals, visit places your family used to frequent, etc.

INCLUDES:

- Preliminary historical research on the origins of your ancestors
- Research of living relatives in native countries
- Translation Italia documents (birth, marriage, death, etc.)
- Certificate useful for Italian citizenship
- Accommodation in a 3, 4 star hotel or farmhouse
- BB service (international breakfast)
- Welcome dinner
- A tasting of local specialties
- Entrance tickets to museums and churches
- Transfers for the duration of the tour with private driver
- Tourist guide in your language for the entire duration of the tour
- Accompaniment of our staff for the entire duration of the tour
- Health insurance
- Tourist tax and ecotax
- Tour Operator Assistance H24
