

Aristocratic TORINO, LANGHE, MILAN and COMO LAKE

San Carlo Square in Turin

Reggia di Venaria

Our itinerary will start with the splendid Turin where we will be able to visit, savor, taste and be completely absorbed by the trendy and lounge atmosphere of this magnificent city. On the second day optional excursion to discover the wonders of the Reggia di Venaria.

The tour will continue in the Langhe region, where some of best wines of Italy are produced together with truffles and hazelnuts. These last are the same ones used by the famous manufacturer of Nutella chocolate, which is headquartered here. We can combine visits to winery, truffel hunt and hazelnuts factories.

"We went down, Tobia behind the train and I in front of the beast, at every turn expected to see Alba lying before my eyes as a whole colored paper." Beppe Fenoglio (Italian writer)

Langhe Region

Wine Tasting

You will continue your tour in Milan, have a walk in the city centre with your guide to visit Piazza Duomo, Piazza della Scala, the Castello Sforzesco and afterwards the opportunity to do some shopping in one of most fashionable cities in the world!

Duomo Square in Milan

Then we will reach the famous Como lake, poised in the shadow of the snowdraped Rhaetian Alps and nestled between steep wooded hills. Its magic atmosphere will welcome you open arms. There you'll visit Como city centre and up to Brunate, then can decide just to relax or go for an adventure activity like trekking and biking, as well as water sports.

A view of Como lake
