

Feel Perugia Historical Centre

The Hotel Fortuna is located in the historic city centre, just a few metres from Corso Vannucci and the Town Hall.

The building that houses the hotel dates back to 1300 and boasts fine windows and balconies providing charming views of Medieval streets and rooftops as well as spectacular glimpses of the valley.

Our Rooms

All 52 rooms are elegantly furnished and equipped with en-suite bathroom, direct dial phone, minibar, satellite TV, hairdryer, safe, air conditioning, whirlpool and steam shower in some rooms. There are also rooms for the disabled and fitness rooms with treadmill trainers or exercise bikes. The hotel also features some very impressive executive rooms with 19th-century frescoes, private sitting room or terrace.

Enjoy Breakfast

Breakfast is served in the new living room with original vaulted ceilings of the 14th century in the tower house attached to the main building.

Enjoy & Relax

A nice solarium, which has been recently renovated, awaits our guests' convenience in the good season and offers beautiful views of the valley and of the city rooftops.

A bright and cozy reading room and meeting place, where we have recently discovered some valuable frescoes on both ceiling and walls, offers our guests a true chance for a nice relaxing holiday.
