- # 127 rooms including luxury suites; 3 exclusive restaurants
- # Outdoor sea-water swimming-pool heated to 27°C/82°F
- # Royal Wellness to rebalance body and mind in a stylish atmosphere

### ENVIRONMENTAL ENGAGEMENT AND SUSTAINABLE ACTIONS

The Royal Hotel Sanremo is not affiliated to a specific program or environmental label, but sustainability is one of its priorities. Over the last 10 years a renewal plan has been implemented including the following **green actions** :

- 🌱 New modern equipment with low environmental impact to replace obsolete one
- 🌱 Rooms with domotic energy-saving system that automatically switches off the air conditioning when the door to the balcony or terrace is open
- 🌱 Eco-friendly dishwashing station
- 🌱 Energy-efficient A+ refrigerators
- 🌱 Energy-saving led lighting throughout the property
- 🌱 Electric vehicle charging station

The hotel's ongoing commitment to sustainability also includes **green practices** as follows:

- 🌱 Buffet breakfast with organic corner
- 🌱 Delicious cuisine featuring dishes prepared with fresh and seasonal products from local farmers
- 🌱 Opportunity for guests to do their part by choosing to reuse sheets and towels
- 🌱 Eco-friendly paper use for all printed material in the rooms
- 🌱 Paperless check-in and check-out
- 🌱 Proper disposal and separation of waste in compliance with strict local environmental law
